

WELCOME

We are super excited that you will be joining us for a tropical adventure in 2019 and will be counting down the days!

Meanwhile we've created this little guide to keep you informed of each step of the process, so you can refer back to it at a later date.

Don't worry though, we don't expect you to remember it all and we send an email out once a month with extra information and reminders!

What next?

We've compiled a handy checklist so you can keep track of what happens and when!

Pay Deposit	First step complete, awesome!	\checkmark
1 month after booking	We will send out confirmation that minimum numbers have been met when the Early Bird offer deadline arrives. If you book after the Early Bird offer has expired, you can safely assume that this has already happened.	
8 months before Escape	The first of 4 instalments is now due. We will be sending you an email with the link to complete the payment.	
6 months before	The second instalment is due.	
4 months before	Your flight details are now due. Airport transfers will be organised for you if your arrival is on day 1 and departure on day 7. Read on for more details about booking your flights.	
3 months before	The third instalment is due.	
2 months before	Your proof of travel insurance is now due. It is important your insurance covers you for all activities on the retreat - especially aerial.	
1 month before	The fourth and final instalment is due.

FAQs

I haven't received any emails from you?

First things first, check your Junk mail! Emails often end up in there so you may want to add us to your contacts. We send an email once a month. If you still can't see any, then get in touch!!

What time should we aim to arrive on day 1?

Great question! The ideal time is after 2pm and before 5pm. Our welcome meeting starts at that time and is followed by a class so you won't want to miss out.

Can I book extra nights before and after the Escape?

Unfortunately not. We book the villa as a whole which means rooms aren't available outside of these dates. We can certainly help you with accommodation suggestions in the nearby area though!

What type of insurance do I need?

Travel insurance. But it must specifically include cover for aerial activities. If unsure about the level of cover provided we recommend that you call an insurance company to check.

What time should we plan to leave on day 7?

There are no activities scheduled for the last morning as everyone is packing and departing. Check out is at 11 am but bags can be looked after at the villa if needed.

Can I get a transfer to a different area of Bali?

Transfers are provided by the villa and are only to/from the airport on the first and the last day. For an additional cost, the villa

will provide alternative transport options.
